

CONSULTING SERVICES SUPPLEMENT AMERICAN SOCIETY OF ASSOCIATION EXECUTIVES

NOTE: If you are completing a renewal application within the program, this supplement is only necessary if there have been additions/revisions to your programs in the past year.

1. Please describe consulting services the applicant (or any subsidiary or affiliate being considered for coverage) provides to others where a fee is received for the service. _____

2. Is the fee dependent upon any cost reductions, revenue increases or contingent upon the outcome of the services provided? Yes No
3. Does the consulting service(s) require that the applicant has or maintains a professional designation in order to provide the service(s) (i.e. medical practitioner, lawyer, CPA, actuary, engineer, architect, insurance agent, etc.)?
 Yes No
If yes, describe the service(s) provided in the professional capacity and list the license(s) required.

4. Attach a specimen copy of an agreement, contract or other written documentation used to establish the scope of services to be provided and define responsibilities by each party.
